We are hosting this in hopes of not only working toward our mission of remedying the leadership gap in the professional work-space, but also connecting Ohio State's driven students with companies whose core values lie in recruiting diverse and talented Buckeyes. As mentioned, this career fair will be smaller in size and will consist of a wide range of industries to allow students to interact with a broad scope of companies in a more relaxed setting. The career fair is **open to all students** at Ohio State interested in business or working for the companies attending, regardless of major or background. Some companies that will be attending include **Procter & Gamble, JPMorgan Chase, Deloitte, General Motors, Cardinal Health, Abercrombie & Fitch, Oracle, Bark Box**, and many more!
