UBWA Involvement

UBWA Diversity Career Fair

UBWA is hosting a **diversity-centric career fair on Wednesday, September 19th from 7pm – 9pm in the Mason Hall Rotunda**. The career fair will take the place of our regular Wednesday meeting that night. UBWA members will receive 2 points for attending the fair! This is a great opportunity to network with a wide variety of companies in a smaller and more relaxed setting. In addition to this being a valuable opportunity for students who are looking for internships and full-time jobs, this is an awesome opportunity for underclassmen to network with recruiters and get their faces out there early!

We are hosting this in hopes of not only working toward our mission of remedying the leadership gap in the professional work-space, but also connecting Ohio State's driven students with companies whose core values lie in recruiting diverse and talented Buckeyes. As mentioned, this career fair will be smaller in size and will consist of a wide range of industries to allow students to interact with a broad scope of companies in a more relaxed setting. The career fair is **open to all students** at Ohio State interested in business or working for the companies attending, regardless of major or background. Some companies that will be attending include **Procter & Gamble, JPMorgan Chase, Deloitte, General Motors, Cardinal Health, Abercrombie & Fitch, Oracle, Bark Box**, and many more!

More details can be found on the UBWA [website](#)!

UBWA Mentor Program

Are you interested in being mentored or passionate about mentoring? This year UBWA is launching a **formal mentorship program in partnership with Sheryl Sandberg's book *Lean In***. The program will consist of **monthly meetings** with your mentor/mentee to engage in critical conversation on the book, as well as **twice a semester Lean In Circles** to continue the conversation in a group setting. Learn more about Lean In [here](#). All materials will be provided courtesy of UBWA. **[Here is the link to apply, which is due September 16th at midnight!](#)** Questions? Contact the program creator and UBWA's VP of Professional Development, Alli (esker.12@osu.edu).
